Alumni Network Launch BBQ

Thursday, September 29

4:30–7 p.m.
Sylvan Grove, UW Campus

RSVP »

Please join us on September 29 for our Alumni Network Launch BBQ and Launch Party! The department invites all graduates across HCDE (and TC) programs to come back to campus, connect with former classmates and department faculty, and enjoy the beauty of fall on the UW campus.

RSVP today, and we will follow up with additional event details as the event nears.

Are you in the Bay Area? HCDE is coming to you! The department will host our first-ever San Francisco Bay Area Alumni Network event on October 17, 2016. To be notified about the details of this event, contact Robin Donovan at robind3@uw.edu.

ALUMNI DIRECTORY

Stay in touch with the department and learn about your HCDE peers when you add your profile to the HCDE online Alumni Directory. Prospective students are also interested in seeing the variety of career paths our alumni take, so please consider helping us build this database.

HCDE Open House & Capstone Showcase

HCDE welcomed more than 400 students, future students, alumni, Corporate Affiliates Program members, and friends to our annual Open House on May 31, 2016. See a recap of the event and all 2016 capstone projects »

FACULTY ANNOUNCEMENTS

Tyler Fox Joins the HCDE Faculty

Tyler Fox joins the HCDE Faculty. Fox serves as HCDE’s advisor to LGBTQ and diversity efforts, and recently completed the-year-long, year-round program in 2016.

Cecilia Aragon Promoted to Professor

Dr. Cecilia Aragon, director of the Human-Centered Data Science Lab, is promoted to full professor, effective Autumn 2016. Dr. Aragon’s research focuses on enabling humans to explore and gain insight from vast data sets.

Sean Munson Receives Career Award

HCDE Assistant Professor Dr. Sean Munson recently received a prestigious 10-year Faculty Early Career Development (CAREER) award from the National Science Foundation. This five-year grant will fund Munson’s research on helping people find value in personal informatics data.

DIRECTED RESEARCH GROUPS

Directed Research Group Examines Free Online Resources

An HCDE Directed Research Group co-led by Professor Mark Zachry and Jonathan Morgan of the Wikimedia Foundation conducted a study to discover what features students consider most important when they select free online information resources to help them with their school work.

Undergrad Amy Wang Recognized in Husky 100

Recent HCDE graduate Amy Wang was selected to join the first cohort of the Husky 100, an award recognizing 100 students across all three campuses who are making the most of their time at the UW.

NEWS HIGHLIGHTS FROM HCDE

HCDE Researchers Study How Families Manage Screen Time for Young Children

The first use of a go-to digital device was highly anticipated by families. HCDE researchers conducted a study to learn more about these informal devices and how families cope with them.
