HCDE Faculty Series

NOW AVAILABLE ONLINE

Did you miss HCDE's Autumn 2016 Faculty Seminar Series? Catch up with our latest research and [stream the lectures online.»](#)

K-12 OUTREACH

HCDE to Offer Alternative Spring Break

HCDE is expanding our K-12 outreach program by partnering with UW's Pipeline Project on an Alternative Spring Break. A team of HCDE students will spend their 2017 spring break in rural Washington State working with middle school students to address an identified problem or need with the human-centered design process. [More.»](#)

Give to HCDE

Your donation supports the next generation of Human Centered Design & Engineering leaders by helping the department build industry connections, develop mentoring programs, and foster student and faculty leadership through participation in regional, national, and international events.

GIVE TODAY

Join us at the forefront of the field and help us design the future. [See HCDE's fundraising priorities and make a donation here »](#)
