Evacuation Assembly Point (EAP)

The Evacuation Assembly Point for Sieg Hall is on the HUB Lawn (★). When the building is being evacuated, please proceed in an orderly fashion to the nearest exit and make your way to the HUB Lawn. Once there, check in with your Floor Warden or Evacuation Director to let them know you have evacuated safely and inform them of any missing students or coworkers. If you are aware of anyone trapped in the building, tell the Evacuation Director the name and last known location of the person(s) immediately.
